

High School Theatre 1: Group Pantomime Assignment

For this assignment you will need to do a group pantomime scene. You need to come up with an original story that has a clear beginning, middle, and end and is 3 to 5 minutes long. Your focus should be on giving a clear physical non-verbal play.

Remember a good pantomime performance has the following qualities:

- consistency (*objects should remain the same size*)
- exaggerated resistance (*action should be more definite, sharper and bigger than real life*)
- exaggerated expression (*big facial and physical expressions*)

Also...

-keep it simple

-tell a story
